# MAYOR'S MUTTERINGS

As I write this it is the time of year for fireworks which bring lots of joy to some, and we had a wonderful display on the Welfare this year attended and enjoyed by many residents. Unfortunately there have been instances of anti social behaviour concerning youths with fireworks and we have had lots of complaints about them. I have phoned the police on numerous occasions.

Remembrance Sunday saw us remembering all those who have died in conflicts around the world but especially this year those who gave their lives in the First World War. We had a band to lead the parade called the Silverbirds.

23<sup>rd</sup> November we had a fantastic evening's entertainment at the Community Centre to celebrate 100 years since the Armistice courtesy of the wonderful Samantha Jones, a great time was had by all.

We have Christmas coming up, there are Christmas fairs going on around the village and we will all be getting into the Christmas spirit. We have also had a Stars In Their Eyes charity night at the Old Club which raised £1000 for a new defibrillator arranged by Ken and Julie Keegan.

I would like take this opportunity to wish you a Merry Christmas and a Happy New Year. Arlene Abbott

Christmas will soon be here and I imagine you all have lists a mile long. Please remember that Mum and Dad do their best trying to get most of what you want, and a huge thank you is all they need to hear on Christmas morning. Quiz time, see if with the help of an adult you can find the answers to the titles of some of these songs or carols.

1. Away in a \_ \_ \_ \_ \_
2. \_ \_ \_ \_ \_ days of Christmas
3. Silent \_ \_ \_ \_ \_
4. Last \_ \_ \_ \_ \_
5. Rockin' around the \_ \_ \_ \_ \_
6. I wish it could be \_ \_ \_ \_ \_

**As we now have early dark and cold nights please take care on your way home from school.**

**If you would like to do some Christmas art work, then please do and hand it in at the library. Design your Christmas card that we could have printed for next year and again take it to Stainforth 4 ALL. Prizes for the best three designed cards.**

# HISTORY

Thorne Road County Infants School in Stainforth which was built in 1876 and closed in 1973. In 1870 an Act of Parliament created locally elected school boards to build elementary schools. Before this time in Stainforth the children who wanted education received it by a variety of private and dame schools and some children even walked to Fishlake and Hatfield. Elementary education became compulsory for all children in 1880 and the minimum school leaving age was raised to 12 in 1899. Originally educating 130 children, the school was built at a cost of

After recent anti-social behaviour in our Stainforth, on Halloween and Bonfire Night, we urge local residents to ring 101 or 999 to report this criminal behaviour by a minority in our community. If no one reports any crime then nothing will be done about it! Stainforth according to the police reports has low crime, but we know this isn't the case. If more is reported then the police will have to do more. If you are scared in case the police come to your house and people will see, then you can say you'd prefer to be anonymous. Stainforth residents, we need you to do this, to stop the 'trouble makers' spoiling it for the rest of us.

£1,585 and Mr George Jenkinson from Sheffield was the first head. Children would attend: two days a week for infants, four days for children aged 7-10 and children 10-13, six days. The school was largely successful and was extended in 1902 to accommodate more students. It went on to serve Stainforth for a further 71 years after this. After the school closure in 1973 it went on to be used as a drugs and alcohol rehab unit and a family centre. Today it is in private hands with an upholstery and furnishings business running from the building.

# NDAY TO BE PROUD OF

# A REMEMBRANCE SUN

Stainforth held its annual remembrance Sunday parade on 11th November to celebrate 100 years since the end of the First World War. The parade started from The Pit Club at 9.30am and then headed down to St Mary's Church and then to the cemetery. A minute's silence was held at 11am for those who lost their lives for us to live ours in freedom. The band 'The Silverbirds' put on a great performance with many residents asking for their details. Afterwards the march

headed over to The Resource Centre (Old Folks Centre) for beautifully prepared refreshments done by Ken & Julie Keegan.

As it was 100 years of remembrance Stainforth did its best with the plastic poppy appeal. The poppies looked beautiful draped down the side of the chapel behind the memorial and we hope to add to it next year and for it to become a tradition. It was the biggest turn out Stainforth has ever had — a Remembrance Sunday to be proud of.

# STAINFORTH'S FIREWORK DISPLAY

Stainforth was lit up on the 1st November by its traditional firework display! Held on the Welfare Grounds, Stainforth and surrounding residents came in the hundreds to see the outstanding display we put on for the town for free. Families could also enjoy a range of fairground rides including the Gravity

Wheel, the waltzers, the ghost train, the Mexican Wave and a handful of smaller children's rides

There were also a number of food stalls selling traditional fairground food. The fair opened around 5.30pm and the fireworks started at 8.30pm. It was great to see the community come together for a spectacular event.
