# Children's Corner

This is our first ever children's corner and we would like to know what you would like to see in it.

Our next newsletter will be printed in October and if possible we would like some of your art work to put into it.

Some nice autumn pictures or something to do with Halloween would be very nice. Have fun in your school holiday, play safe and stay safe.

A small quiz of street names in Stainforth, how many can you guess from these clues?

1. A Royal Avenue.
2. An old park on this estate.
3. Could this road have trains on it?
4. An Avenue and Gardens with a gentleman's name in it.
5. A famous television street now a road.
6. A place for farm animals on this road.

USEFUL NUMBERS

# MAYORS MUTTERINGS

Welcome to this edition of the newsletter and my first as mayor.

We are approaching a time when things should start moving forward for Stainforth, with the start of the new link road to the motorway, new housing and the proposed bus interchange near the railway station.

Good news that our junior football teams are performing well but sadly we no longer have the Hatfield cricket team gracing our pitch.

I do have some concerns about the area with crime which seems to be on the rise once again, traffic speeding through all areas, which our ward councillors have tried to curtail more so near to the schools and the increase in litter which is dropped all over Stainforth. Yes, we could do with more litter bins but doubt if this will happen yet. Please folks take some pride in where you live and put litter in your bins when you return home. If you walk your dog, please have bags in your pocket to pick up any mess your pet leaves on the footpath. Bags and dustbins are much better than on the spot fines.

My thanks to the team at SERG (Stainforth Environmental Regeneration Group) who go out twice a week as volunteers litter picking to help keep our streets clean.

Please enjoy this edition of Stainforth Voice.

Lorraine Crosby, Mayor .

# Young Couple Save Home Deposit in One Month... *Just before Christmas!*

Liam and Charlotte are proud new home owners on our Kings Park development in Stainforth, where properties can be bought from £92,995.

*They researched renting and buying existing properties, but found that buying a three bed detached Gleeson Home meant*

*not only more space, but it was also the cheaper option. It was a no brainer, Charlotte viewed renting as "dead money", and*

*both are now keen to share their saving tips to help others get onto that all important property ladder.*

For Liam and Charlotte, it's all about mind-set. They managed to save £1,600 before finding their home and thanks to the Help To Buy ISA received £450 bonus into their savings pot. They had made the decision to buy a Gleeson Home in October 2016. Due to their home being so affordable, they found that they could move in quicker than expected.

Liam explained "Family have been key in kick starting our savings. We both lived separately with our parents which helped us save quickly. We were really careful with our pay cheques for two months and the pounds quickly added

up until we met our target. After seeing how easy it was for us, my sister was interested, we recommended her and now she's moving in on the same development"

Liam's family live in Stainforth, and they know of a number of friends in the community who have also bought on Kings Park. Both Charlotte's

grandma and mum have bought new builds, so she already knew that buying new meant less maintenance long term.

"My grandparents helped us add some extras onto our new home. They were delighted to help us out with the kitchen and shower. Being focused for a short time and being dedicated has helped

us move quickly."

To find out more information on the schemes that can help you get on the property ladder or to find out about the Kings Park development please visit our website on: [www.gleeson-homes.co.uk](http://www.gleeson-homes.co.uk)

## AN INTRODUCTION TO STONEACRE MOTOR GROUP...

A family-owned business that has evolved to become one of the UK's fastest growing and most successful car dealers, delivered through exceptional high-quality service and affordable prices.

**WE ARE CURRENTLY SEEKING CANDIDATES FOR:**

**CONTACT CENTRE SALES ADVISOR - DONCASTER, THORNE**

### THE ROLE:

Based at head office, our Business Development Centre is the heart of our entire company. People here are the voice of our business, providing great service direct to new and existing customers. As an advisor, you'll keep our customers connected through inbound and outbound calls, whether they've just bought their car or want to book their car in for its annual service and MOT. You will be driven to succeed to individual and team based sales targets. You'll be advising and selling industry leading manufacturer products and services using communication skills to overcome objections and working to put things right if they go wrong.

Our Business Development Centre houses some of the most important teams in our company, and has a whole lot to offer; a choice of careers and opportunities for progression in a friendly, fun environment! You'll become a brilliant, highly trained advisor and will get the support and encouragement you need to gain new skills and qualifications.

### ARE YOU?

- Sales and target driven with enthusiasm and motivation to meet and exceed targets?
- An excellent communicator with an engaging personality?
- Resilient and able to deal with objections?
- Passionate about sales?

### WHAT WE CAN OFFER YOU

- £25k OTE - Uncapped + Pension
- Basic Salary + A Motivated Bonus Scheme
- Full training, help and motivation
- No cold calling... Ever
- Friendly, fun environment
- Career Progression

### DETAILS OF THE ROLE:

- 20 days holiday plus statutory holidays
- On-site parking
- Excellent commission and bonus packages
- 40 hours a week
- A range of shift patterns
- No Sundays

**LOCATION - STONEACRE HEAD OFFICE, THORNE, DONCASTER DN8 5TX**

To apply please call our recruitment team on 01405 744200 or email [recruitment@stoneacre.co.uk](mailto:recruitment@stoneacre.co.uk) - we can't wait to hear from you!

# MAYOR'S REP

I had the honour of representing the people of Stainforth at events elsewhere such as the thanksgiving services of the Mayors of Doncaster and Hatfield. I have represented the town council at the annual Remembrance service in church and at the cenotaph in November.

I chose to raise funds for Stainforth's Food Bank and raised £75. I used the council's newsletter, Stainforth Voice, to appeal to the community for help with giving food to the food bank.

I am pleased that the town council has continued to help organisations in Stainforth which are helping the community. This help can make a difference between making an event viable or not. I am also pleased that we have continued with our stickers, Please Slow Down In Our Town, to help raise awareness for motorists of our road safety campaign.

Early on we lost two members of the town council. One was due to increased pressure from his business which entailed a great deal of travel but, sadly, the other was due to anti-social behaviour of an extreme nature which meant that her house lost every window in the house. We replaced the two councillors but remained very concerned about the level of criminal behaviour. I decided to invite Doctor Billings, Police and Crime Commissioner for South Yorkshire, to come and listen to the problems (involving drugs, vandalism and other crimes) in some parts of Stainforth. Dr. Billings came one evening in September, bringing with him Inspector Payling, and councillors had the opportunity to explain the problems to the top man in the county.

Dr. Billings listened to our complaints and suggestions and said he would return in January when he hoped we would notice a difference. He did return and, I believe, we have noticed a higher profile from the police in Stainforth.

**Church Road Stainforth**

**01302 840555**

Dr. Billings listened to our complaints and suggestions and said he would return in January when he hoped we would notice a difference. He did return and, I believe, we have noticed a higher profile from the police in Stainforth.

The Police Commissioner talked about budget constraints and his policies which he talked about reviewing to bring more officers to our side of Doncaster. We certainly have had more contact with PCSOs liaising with our clerks and attending town council meetings. I also believe that Inspector Payling has reported back to various councillors.

I was present at an excellent evening of fireworks on 4th November which the town council partly funded. Late in December, with help from my deputy, Cllr. Mrs Crosby and my granddaughters, I drove around Stainforth to judge our Christmas lights competition. I should like to thank Cllr. Moore for his work with our improved Christmas lights at the Park this year. At Easter I

helped Mrs Crosby choose children's pictures for her Easter competition.

I was interested to see preparations for Garry Lyons' play about reminiscences by Stainforth people about the miners' strike and hope that will make a good historical record for the future.

I accompanied the Methodists on their annual visits to the old people's homes at Christmas, was present in the parish church to listen to a visiting choir from Snaith and went with my wife to the meal for refugees organised in the Catholic church at Christmas.

I also opened a lively children's Christmas party at Saint Mary's and have accompanied our PCSOs on a crime prevention morning in our local supermarket. It was a great pleasure to be invited to the relaunch of Stainforth library by Stainforth4All along with our M.P. Ed. Miliband and the Mayor of Doncaster, Mrs Ros. Jones. I also took part in a documentary film which is being made about Stainforth's rebirth after the miners' strike. At all the above events I received a warm welcome.

The precept this year is £178,985, which includes a grant of £42,905 from DMBC, but despite the rise we are in the fortunate position of being able to charge community charge payers less because there are more contributors paying into the pot owing to new housing in the parish.

I gave out a number of mayor's awards to recognise individuals who have helped the community this year and invited them to this year's mayor's dinner.

have welcomed new groups being established in Stainforth, such as the Women's Group, and SERG, and believe them to be a sign of things to come with new, younger people coming forward to fill our shoes. Like many of you, I was delighted to hear that work on the spur to the motorway will start this year as it should bring more opportunities for employers to gain access to the motorway network and make a more level playing field for Stainforth in the future. A presentation from Waystone's gave

us a vision of the future which should also increase the number of houses, shops and businesses in the community which should give us a better chance of fighting the problems of unemployment, crime and alienation in the area.

Above all, I should like to thank members of the town council, who, sometimes in the face of severe illness, continued to run committees, visit and oversee the pavilion and work in the cemetery. I should also like to repeat my thanks for the dedication of the staff in the office and in the cemetery.

I wish my successor well and hope the council will unite around her.

Cllr. Stephen Cook.

# RITAGE

In 1793 work began on the Stainforth and Keadby canal, with the aim of providing a navigable waterway from the lock in the river Don at Stainforth, to the River Trent near Keadby. It is estimated that cost of the new canal was around £60,000, and entailed the building of a lock at Thorne, and a further lock to gain access to the river Trent. The completion of the Stainforth & Keadby canal sig-

nalled a time of growth and relative prosperity in Stainforth. The village of the 1800s was a desirable place in which to live, offering many kinds of work connected with the waterside. Dwellings, shops and pubs were constructed to accommodate and serve the influx of people, eager to live and work on the canal and river. Here we show a canal scene from the 19th century and the same spot in the 21st.

# FIGHT FOR A COMMUNITY

STAINFORTH 4 ALL is currently fighting for a new community centre and we need YOUR help! S4ALL's current building is in the library on Church Road, but due to increasing popularity Stainforth is in desperate need for a new one.

Half of the funding will come from The Big Lottery Fund. However the other half of the funding will only be given if it can be proved that the new community centre will be sustainable.

That's why S4ALL needs local support to help make this dream become a reality. They are currently questionnaires being handed out so if you're asked to fill one in please do! At the moment there are over 450 questionnaires completed and the target is 700.

The new community centre will boast a new children's soft play area, a brand new library, job club, café, computer suite, outdoor area, activities for all ages, plus many more.

Whatever your situation, we can help! Ask about all of our purchase schemes to help you take the first step onto the property ladder.

Prices correct at time of print. Images for illustration purposes. Schemes subject to terms and conditions. Ask Sales Negotiator for details. \*Eligible Applicants will be offered an equity loan of up to a maximum of 20% of the purchase price (based on the open market value). Applicants are required to fund at least 80% of the purchase price by means of a conventional mortgage, savings and any deposit where required. For the first 5 years there is no charge on the equity loan component. If you have not repaid the equity loan after 5 years you will be required to pay interest at 1.75% of the equity loan rising annually by the increase in the Retail Price Index plus 1%. A monthly management fee of £1 per month is payable from the start of the loan until it is repaid. The equity loan is provided by the HCA and is held as a second charge. The repayment sum will reflect the 20% of the market value when the property is sold. Terms and conditions apply and full details will be provided upon request. Help to Buy not offered in conjunction with any other promotion. YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON A MORTGAGE OR ANY OTHER DEBT SECURED ON IT.

# THE RIVERSIDE VIEW DEVELOPMENT

This is a plan of the site that is being developed at present.

The road that is dead ended could possibly lead to a future development

We sincerely hope that further development takes place in the future, this would prove to the doubters that companies ARE prepared to invest in YOUR town .

This development is being carried out by the Roadgaz group and will provide 151 dwellings which will be a mixture of 2,3,4, and 5 bedroom houses.

Stage one will be completed in approximately three months time, the good news being that over 50% of phase one has already been sold, to me this mean that people want to come and live in Stainforth and if the other proposed developments come to fruition hopefully work in Stainforth.

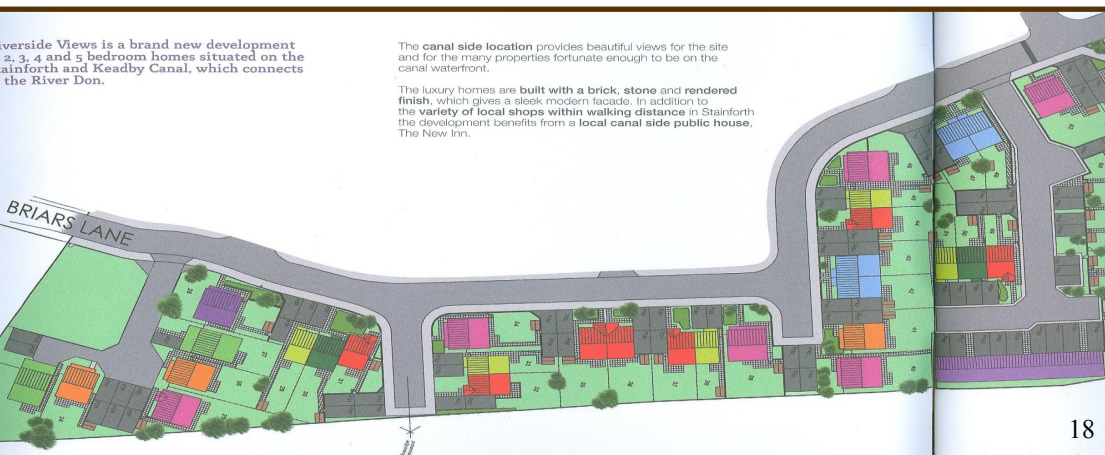

A plus side of this development is that approximately 12 people from the area are working on the development the majority of these are from Stainforth.

The road names for this development have already been chosen and include Briars LANE, Greenfield Road and Chalk Road.

Riverside Views is a brand new development of 2, 3, 4 and 5 bedroom homes situated on the Stainforth and Keadby Canal, which connects to the River Don.

The canal side location provides beautiful views for the site and for the many properties fortunate enough to be on the canal waterfront.

The luxury homes are built with a brick, stone and rendered finish, which gives a sleek modern facade. In addition to the variety of local shops within walking distance in Stainforth the development benefits from a local canal side public house, The New Inn.

# STAINFORTH MOURNS THE PASSING OF ITS BOXING CLUB

Many will know by now that after nine years the boxing club has finally been forced to close its doors. Chief coach and organiser Paul Thompson through one reason or another has declared he can no longer fly the flag.

In his nine years he has had many highlights which brought pride to the town one of which was the legendary visit of Smoking Joe Frazier formerly heavyweight champion of the world. Who else but Paul could have brought about this visit and I for one wish him well for the future!

Hands are inspected inside the ring before gloves are put on. This dates back to the turn of the 20th century when Bob Fitzsimmons, the Corinsh man who'd lost the world championship by now and was boxing a rematch against a giant of a man called Jim Jefferies the man who stole his crown. As the fight went on it became clear Fitzsimmons was devastating Jim Jefferies, but he walked into a huge right hand which ended the battle, but just then a call came out to inspect Fitzsimmons' hands as he had plaster of Paris in his gloves. With all the uproar Fitzsimmons was smuggled away. He then went on to win the world light heavyweight title by beating George Gardner in 1903.

Another known fact regarding Fitzsimmons was the planned introduction of filming a fight. Fitzsimmons then asked what his cut was, nothing was the reply, well you won't get your film he said at which he was reminded he was contracted to fight Peter Maher or forfeit his purse. 'There'll be a fight' he said, and true to his word there was but as the bell rang Fitzsimmons ran out of his corner, hit Maher and put him to sleep before the camera was set up. Concrete or what? Who knows?

**DID YOU KNOW?**

# CRICKET CLUB CLOSURE

Although there is good news on the number of properties being built in Stainforth and the possible start to the DN7 project later this year, it is with great sadness that we have to tell you that both the Stainforth Cricket Club has closed down due to the lack of support.

If local people will not support the sports clubs or other ventures set up to that people set up there will be nothing for the younger generations to aspire to, this in its self could mean that we find more teenagers taking to the streets in an attempt to deal with their boredom.

It is down to everyone who lives in this town which can be brought back to its former glory if we all work together instead of being negative about various situations.

It is for everyone to turn the tide and start taking a positive attitude towards what can be done by the community for the community as a whole.

Together we can take the stain off Stainforth.

Councillor John Waggitt  
(Independent)

## OLD SCHOOL REDEVELOPMENT

The old school on Thorne Road is being developed as a Specialist Upholstery Company.

As we go to press as far as we know the company is advertising for an upholster and a material cutter.

## A MESSAGE FROM

# PATIENT PARTICIPATION GROUP

There have been complaints about people being unable to get appointments early in the morning or after normal surgery hours in an evening. It is now possible to register for the surgery's online service. This allows patients to book appointments in advance and order repeat prescriptions without visiting the surgery.

If you have a computer and get on to the internet, why not visit the surgery and pick up a registration form. You MUST take with you two forms of identity, one of them MUST have a recent photograph -this could be your driving licence or bus pass, the other should be a recent utilities' bill as proof of your address.

Further to the above, every month people are booking appointments to see a doctor or nurse but failing to keep them. This is wasting valuable time that could be better used by members of the surgery staff and patients.

To try to reduce the number of missed appointments the surgery now sends a text message to remind patients of the date and time of their appointment, to assist the staff to make more efficient

use of their time.

If you have Not registered your mobile phone number why not do it NOW.

Another problem caused by missed appointments is the cost implications for the surgery, with all the government cut backs it is IMPERATIVE that the surgery staff maximise the time that doctors and nurses are available.

Please help us, to help you, to help us by keeping appointments, contacting the surgery yourself or asking someone else to do it for you. If you decide that you no longer require an appointment that you have made ,you help allow the surgery staff to offer the appointment to someone else.

Thanking you in anticipation of your cooperation.

PATIENT  
PARTICIPATION GROUP.**

# IF THE EARTH?

IF THE EARTH WERE ONLY A FEW FEET IN DIAMETER, FLOATING A FEW FEET ABOVE A FIELD SOMEWHERE, PEOPLE WOULD COME FROM EVERYWHERE TO MARVEL AT IT. PEOPLE WOULD WALK AROUND IT, MARVELLING AT ITS LITTLE POOLS AND THE WATER FLOWING BETWEEN THE POOLS.

PEOPLE WOULD MARVEL AT THE VERY THIN LAYER OF GAS SURROUNDING IT AND THE WATER SUSPENDED IN THE GAS. THE PEOPLE WOULD MARVEL AT ALL THE CREATURES WALKING AROUND THE SURFACE OF THE BALL AND THE CREATURES IN THE WATER. THE PEOPLE WOULD DECLARE IT AS SACRED BECAUSE IT WAS THE ONLY ONE, AND THEY WOULD PROTECT IT SO THAT IT WOULD NOT BE HURT.

THE BALL WOULD BE THE GREATEST WONDER KNOWN, AND PEOPLE WOULD COME TO PRAY TO IT, TO BE HEALED, TO GAIN KNOWLEDGE, TO KNOW ITS BEAUTY AND TO WONDER HOW IT COULD BE. PEOPLE WOULD LOVE IT, AND DEFEND IT WITH THEIR LIVES BECAUSE THEY WOULD SOMEHOW KNOW THAT THEIR LIVES DEPEND ON IT. THEIR ROUNDNESS, COULD BE NOTHING WITHOUT IT.

IF THE EARTH WERE ONLY A FEW FEET IN DIAMETER.

# 700 Hundred Years Of Market History

Stainforth 4 ALL community centre has been given Stainforth's 700 hundred year old Market Charter to display proudly.

In 1348, Stainforth market received a Royal Charter, entitling it to hold a weekly market on Fridays and an annual ten-day fair.

The town briefly thrived as a commercial centre and port and attracted traders from as far afield as the Isle of Axholme, but the market soon slumped as Bawtry grew in importance.

© dubdee K.W. & J.B. Platt

## STAINFORTH MARKET CHARTER 24<sup>th</sup> Jan. 1348

From the Calendar of Charter Rolls Vol. V page 71

Grant to Edmund de Langele the King's Son and his heirs of a weekly market on Friday at the Town of Stainforth, Co. Yorks., and of a yearly Fair there on the Vigil and the Day of the Nativity of the Virgin and eight days following.

From the Rolls of Edward 3<sup>rd</sup>, transcribed from a photocopy supplied by the Public Record Office.

The King to the same greetings knows that we have granted and by this our charter confirmed to Edmund de Langele our most dear Son that he and his heirs have forever a market each week on Friday at the ville of Stainforth in the County of York and a Fair there each year lasting for ten days viz on the Vigil and on the Feast of the Nativity of the Blessed Mary the Virgin and the eight days next following unless that market and fair are at the annoyance of the neighbouring towns therefore I will and firmly command for us and our heirs to you and your heirs market and fair at the ville aforesaid with all the liberties and freecustoms belonging to the kind of market and fair unless that market be to the annoyance of neighbouring markets and fairs as is aforesaid these witness The Venerable Fathers John Archbishop of Canterbury Primate of All England The Bishop of London The Bishop of Winchester Henry Earl of Lancaster William de Earl of Northampton Magister John de Ford Dean of Our Chancellor Robert Talbot who is Steward of our hospital and other given by our hand at Westminster on the twentyfourth day of January

By writ of privy seal

(Transcription by R. Brocklesby, original discovered by A.E.B. Owen of the historical Documents Commission).

Footnote by Wm Bunting

At the time when this charter was granted Edmund de Langele held the Fief of Conisbrow with all its manors which included Hatfield and Stainforth. The Manors reverted to the Crown and remained Crown Property until Vermuyden bought the manors. The Market rights then remained with the successive Lords of the Manor until all manorial rights were extinguished by the 1811 Thorne Hatfield and Fishlake Enclosure and the Award of 1825 when all manorial prerogatives became the properties and rights of the commoners vested in the Town's Committees until the local government act setting up Parish Council.
