# Mayor's Mutterings

Well the months are rolling on but it has been a busy time for me. At the end of June I thought it was time we honoured SERV group, so a tea party was organised and the Mayors awards were presented in recognition of the work that they do and have done in our Town. I was invited to attend St Georges Church along with the deputy Mayor George Derx for the civic Church service in honour of all the town leaders including our civic Mayor Linda Curran who gave a great speech and invited everyone back to the Mansion house for a lunch which I did not attend, not that I did anything against it I ran into a bit of car trouble. I then went to open the summer fair at St Marys Church which went well, all efforts were then averted to the Gala which did not go according to plan. We had the threat of gale force winds and rain which deterred not only the attendance but our entertainment such as the petting zoo and our inflatable assault course due to winds which didn't materialise I am glad to say however the day went ahead with the highlights being the dog show and our stage entertainers. Improvements are already being put in place for the next gala so let's give it what Stainforth deserves.

The dog walk on the pavilion is still on the front burner we have had delays for one reason or another but don't lose heart it will happen. The circus is now on the horizon and is due to happen this month September and now I'm looking forward to our annual fireworks event in November so with that In mind I will close but before I do I had one sad thing to attend and that was the funeral of Trish who ran Angies Florist who has been a stalwart of our community for many years good night Trish.

Dave Moore

# STAINFORTH GALA CHAPEL RENOVATIONS ARE UNDERWAY!

This August the Gala Returned! Unfortunately due to weather restrictions the rain and gale force winds the day

didn't go as planned. This meant that certain elements of the day were not able to take place, such as the inflatable assault course although the winds didn't materialise.

Don't let this deter you, the Gala will return in 2020 and hopefully the day will be better than ever! Let's cross our fingers that this time it's a bright sunny day! No tickets needed for this event! All paid for by your Stainforth Town Council. If you'd like a stall please ring us on 01302 844903. See you next year for a day to remember.

The chapel doors have now been restored and they look beautiful; they are now working towards the carpets being replaced this will then restore the chapel to its full glory! For enquires and further information please contact the Cemetery on 01302

# STAINFORTH STORIES

This is Christine Ruane she's a very determined gardener! She loves giving back to the local community she does this by donating her produce to the local Food Bank, she also provides food for the Lunch Club! As you can see she also grows pumpkins for Halloween she donates these to the local food bank and S4ALL.

When we approached Christine for this story she explained that she hadn't done anything different in the process to grow these, she couldn't understand why her pumpkins have grown so large!

As you can see in the picture there humongous! Can we all give her some appreciation and recognition for this as she doesn't get the recognition she

deserves! Thank you for your Charitable Donations to the local community just another good way to make own Town a better place!

# HISTORY & HERITAGE

This is a photo of Hatfield Main colliery, also known as Hatfield Colliery. This was the colliery in Stainforth, mining the High Hazel coal seam. In December 1910 the Hatfield colliery company was formed by Emerson Bainbridge. The colliery opened in 1916! When the first shaft was completed on September 11th, the second then followed on April 1st 1917, Over 100 years ago. The first piece of coal was dug on the 7th July 1994. The Colliery had several owners over the years.

In June 2015 the colliery ceased production, unable to sell its coal due to increases in the UK carbon tax and lack of demand for the coal. The last lump of coal mined has been preserved and is kept at Doncaster Museum; hopefully it will be on show soon for public viewing. The Colliery is now a Grade Two listed building, which means that it is protected for at least 10 years! There are even plans in the pipeline to have a heritage centre there! Watch this space for updates!

## Are you in need of our help?

Do you manage to heat your home and put food on your table?

Are you an elderly person struggling with your pension to make ends meet?

We help anyone - single people, families, pensioners on low income, people on benefits - anyone struggling to make ends meet.

We can have a chat with you about your circumstances and help you get back on your feet again, by assisting you with food for a few weeks until you've got yourself back on track. There is no stigma about coming to us for help. Everything is in confidence and we will only involve other agencies if you ask us to.

We can signpost you to various organisations and agencies for further help if you wish.

The DN7 Food Bank began its journey in January 2016 and is continuing to support local residents in the DN7 postcode area. We are a group of volunteers who work together to bring a much needed service to the most vulnerable in our communities. We run fundraising events to gain funds to enable us to buy food to help you.

We also have organisations and other charities who are regular donors to our cause. We are open every Friday from 10:00am until 12:30pm at St Mary's Church Community Hall, Field Road, Stainforth.

If you need more information about us just pop in on a Friday for a cuppa and a chat. You will be made most welcome.
